EDUCATION

M.S. Human-Computer Interaction, Georgia Institute of Technology

Expected May 2027

B.S. Computer Science, The University of Texas at Dallas

Aug 2021 - May 2025 • GPA: 3.9

Certificate in Applied Experience Design and Research

EXPERIENCE

Orchestra Technology, UI Developer Intern

June 2025 - Aug 2025

- Migrated a legacy **AngularJS telecom assurance platform** to **React + Next.js**, integrating **30+ REST APIs** to deliver real-time KPI tracking, device monitoring, and automated testing.
- **Redesigned the UI** with a customizable dashboard, modernized branding, and clearer data visualizations, reducing workflow friction for engineers.

Invoir, Software Engineer Intern

Aug 2024 - Sept 2024

- Designed **iOS interfaces** for a **mobile performance analysis tool** used by engineers, streamlining benchmarking workflows and improving usability.
- Optimized **Swift** components through testing and debugging, increasing app stability and responsiveness.

NeighborShare (Develop for Good), UI/UX Designer

June 2024 - Aug 2024

- Designed **custom landing pages** for corporate sponsors and nonprofits, boosting engagement on a crowdfunding platform serving 7.8K+ Americans.
- Developed filtering mechanisms with engineers, improving user engagement by **22%**.
- Led client feedback sessions and delivered wireframes and prototypes to guide sponsor-facing designs.

LEADERSHIP

Women Mentoring Women in Engineering, Marketing Chair

Aug 2023 - May 2025

- Created marketing materials and ran social campaigns for **10+ events/semester** and a **120+ member mentorship program**, boosting engagement by **40%**.
- Co-developed WMWE website as a **Full-Stack Developer (Front-End Lead)**, building 5+ responsive interfaces and implementing user authentication and data management.

200PERCENT Dance Team, Content Director

Aug 2022 - May 2025

- Rebranded the social media, generating **5.4M impressions, 520K views, and 10K watch hours** on YouTube and IG.
- Led the production of **100+ videos**, overseeing an in-house team of 6 focused on videography and post-production.
- Secured local opening performance slots for national touring concerts, expanding the team's reach and visibility.
